

Finding the Resurrection Power of Christ

Jesus Christ is the One who conquered death. Proven by his resurrection, Christ has the power to transform your life from the inside-out with new purpose, meaning, and joy. In great love and mercy, God sent Jesus as the perfect and sinless sacrifice to forgive sin. Through Christ you can know God personally and enjoy him forever. Jesus said, *"I am the Way, the Truth, and the Life. No one comes to the Father except through me."* Jesus never forces or coerces anyone to believe in him. Neither do we. **This Easter we simply invite you to investigate Christ as God's gift for new life.** We are a group of faculty and staff who are united in our discovery and experience that Jesus Christ provides intellectually and spiritually satisfying answers to life's most important questions.
