Whether you're a new or returning student, we encourage you to apply yourself and engage your mind fully. Go for it! Pursue knowledge and academic training in your field of study. College can be one of the best experiences of your life; lasting friendships are developed, and your future path is chosen. While here, you will no doubt be exposed to various philosophies. College is also a time when many consider the spiritual aspect of their lives. We are a group of faculty and staff who are united in our discovery and experience that Jesus Christ provides intellectually and spiritually satisfying answers to life's most important questions.
