

DO YOU EVER HIT PAUSE AND PRAY?

Prayer is talking to God. As we prepare for Thanksgiving and then Christmas, we encourage you to thank God for the good things in your life, and pray for His goodness for your family, friends, and fellow students. **God loves you** and wants you to experience a personal relationship with Him that is filled with forgiveness, peace, and joy. If you don't know God, investigate how He sent Jesus to remove the barrier between you and Him. By faith in Christ, you can experience God's love and forgiveness. We are a group of faculty and staff who believe Jesus Christ offers intellectually and spiritually satisfying answers to life's biggest questions. Visit: www.cfsn-ncsu.org/finding-God
